Product Description

EDGE 2000 TWO SIDED YELLOW AGGRESSIVE CUTTING PAD - 6" DIAMETER

- 6" Diameter Two Sided Cutting Pad - A 6" diameter, closed cell foam, cutting pad designed specifically for aggressive cut cleaners to remove heavy oxidation or wet sanding marks. The closed cell design will hold the cleaners with a minimum of splattering. The tough foam resists tearing and the rounded edges will help prevent swirls. The thick pads are double sided so they will last twice as long as a normal pad. Must be used with the Edge 2K Dual Action Adapter. To change the pad, simply press the release button on the adapter and the pad will pop off. Turn the pad over and snap it back into place and you are ready to go again.

13201 Edge 2000 Two Sided Yellow Aggressive Cutting Pad - 6" Diameter

EDGE GREEN MEDIUM CUTTING PAD WITH VELCRO BACK - 6" DIAMETER -

6" Diameter with Velcro Back - A 6" diameter, closed cell foam, cutting pad designed specifically for medium cut cleaners to remove moderate oxidation or minor swirl marks. The closed cell design will hold the cleaners with a minimum of splattering. The tough foam resists tearing and the rounded edges will help prevent swirls. Use with a 4" diameter Velcro backing plate. To change pads, simply peel off the old pad and pop on the new pad.

13207 Edge Green Medium Cutting Pad With Velcro Back - 6" Diameter

EDGE BLUE POLISHING PAD WITH VELCRO BACK - 6" DIAMETER

6" Diameter with Velcro Back - A 6" diameter, closed cell foam, general purpose polishing pad with rounded edges to help reduce burned edges and produce a high gloss finish. The polishing pad is used to apply most pre wax cleaners, machine glazes, polymer sealants and waxes as well as buff out products applied with a cutting pad. The closed cell design will hold the cleaners/wax with a minimum of splattering. The tough foam resists tearing and the rounded edges will help prevent swirls. Use with a 4" diameter Velcro backing plate. To change pads, simply peel off the old pad and pop on the new pad.

13217 Edge Blue Polishing Pad With Velcro Back - 6" Diameter

EDGE 2000 TWO SIDED WHITE FINISHING PAD - 6" DIAMETER

6" Diameter Two Sided Finishing Pad - A 6" diameter, closed cell foam, velvet smooth, finishing pad with rounded edges to help reduce burned edges and produce a high gloss finish. The finishing pad is designed to buff off polymer sealants or waxes. The super soft texture surface helps bring out a deep gloss with minimal effort. The thick pads are double sided so they will last twice as long as a normal pad. Must be used with the Edge 2K Dual Action Adapter. To change the pad, simply press the release button on the adapter and the pad will pop off. Turn the pad over and snap it back into place and you are ready to go again.

13220 Edge 2000 Two Sided White Finishing Pad - 6" Diameter

EDGE WHITE FINISHING PAD WITH VELCRO BACK - 6" DIAMETER

6" Diameter with Velcro Back - A 6" diameter, closed cell foam, velvet smooth, finishing pad with rounded edges to help reduce burned edges and produce a high gloss finish. The finishing pad is designed to buff off polymer sealants or waxes. The super soft texture surface helps bring out a deep gloss with minimal effort. The tough foam resists tearing and the rounded edges will help prevent swirls. Use with a 4" diameter Velcro backing plate. To change pads, simply peel off the old pad and pop on the new pad.

13222 Edge White Finishing Pad With Velcro Back - 6" Diameter

EDGE SCMITT WAFFLE FACE FOAM WASH MITT - 8" DIAMETER

DISCONTINUED - Limited Quantities Available - The Schmitt is a super soft, waffle pattern, foam wash mitt made from the Edge white finishing pad with a yellow foam back glued to the pad to form a pocket for your hand. If you like using a sponge, then this is the chance to actually wear your sponge on your hand. The super soft, closed cell foam finishing pad holds incredible amounts of suds and water. When dirty, wash in detergent, rinse thoroughly in clean water, squeeze out the excess water and air dry.

13290 Edge Scmitt Waffle Face Foam Wash Mitt - 8" Diameter
