PRODUCT LIST - 2010 MICRO-RESTORE - CAR CARE PRODUCTS

MICRO-RESTORE MICROFIBER DETERGENT CONCENTRATE - A concentrated, biodegradable blend of surfactants, emulsifiers and water softeners that are optimized to safely remove heavy oils, waxes, dirt and protein stains from microfiber, cotton and chamois. The 16 oz and 32 oz Bottles come with a Self Measurer. Repeated cleaning with a regular laundry detergent will cause the fibers to stiffen and reduce the cloth's cleaning ability. Since Micro-Restore does not contain any bleach or fabric softeners, it effectively cleans and restores the like-new softness to microfiber, cotton or chamois. Use the convenient self-measuring bottle to add the desired amount of Micro-Restore to the washing machine. May also be used as pre-soak for extremely dirty cloths.

- 11701 Micro-Restore Microfiber Detergent Concentrate - 16 oz Bottle
- 11702 Micro-Restore Microfiber Detergent Concentrate - 32 oz Bottle
- 11703 Micro-Restore Microfiber Detergent Concentrate - 1 Gallon Jug

PRODUCT LIST - 2010 SPRAYWAY - CAR CARE PRODUCTS

SPRAYWAY GLASS CLEANER - 19 OZ AEROSOL CAN - A powerful, alcohol based, foam glass cleaner that is almost streak proof. May be used on all glass, mirrors and will not harm factory tinted windows. Test a small, inconspicuous area of all aftermarket tinted windows before using, as it may damage certain tint dyes. Spray on and wipe off with a lint free, unprinted paper towel or Micro-Maize Microfiber Glass Cloth for concours clean glass. It is one of the few glass cleaners that will help remove polymer off-gassing residue from automotive glass. (UPS Ground Ship only.)

- 11801 Sprayway Glass Cleaner - 19 oz Aerosol Can
