Description

SONAX WINDSHIELD CLEANER CONCENTRATE - 250 ML BOTTLE - 250 ml
Bottle - The highly concentrated (1:100) formula allows you to make your own economical windshield washer fluid that leaves the windshield sparkling clean with no residue. Use the pre-measured dispenser bottle to mix 1 part of concentrate to 100 parts of water, then add the solution to the windshield washer reservoir. Does not contain any antifreeze, so use only in warm weather.

10909 Sonax Windshield Cleaner Concentrate - 250 ml Bottle

SONAX TRIM PROTECTANT - 250 ML PUMP SPRAY - CLOSEOUT - 250 ml
Pump Spray Bottle - DISCONTINUED - Limited Quantities - A great product that cleans, preserves and restores exterior plastic and rubber parts. Spray a small amount on a clean, soft cloth, work evenly into the surface and then buff off the excess with another clean, soft cloth. Leaves a silky shine and the antistatic ingredients help repel dust.

10926 Sonax Trim Protectant - 250 ml Pump Spray - Closeout

SONAX R2000 ALLOY RIM CLEANER - 500 ML PUMP SPRAY - 500 ml Pump
Spray Bottle - A powerful, acid and organic solvent free, pH balanced, wheel cleaner designed specifically for all European alloy and steel wheel rims. The stubborn brake dust, oil and dirt are gently cleaned without damage to the sensitive finish of today's wheels. Spray on a dry, cool wheel, gently sponge to remove any drips or runs, allow to clean for a few minutes and then rinse all traces off with water. Extra dirty wheels may need gentle brushing prior to rinsing. Do not use any wheel cleaner in the direct sun or on a hot wheel.
